FOIA Request: EPA-HQ-2013-007502

Good evening Jeff, Maureen and Rose - Please accept my apology for the delay and just getting back with you regarding your e-mail dated December 18, 2013 pertaining to EPA-HQ-2013-007502. I have been out of the office and just returned today. Right now the estimate for a copy of the releasable portions of the contractor's proposal, redacted copy of the contract, and a copy of all work assignments/task orders issued under Contract EP-C-09-027 is \$203. In my e-mail dated December 12, 2013, I asked if your client would be interested in cancelling the remaining portion of his/her request for a copy of the monthly reports. Please let me if I should proceed with the search for monthly reports?
